**Please Note:** If not prepaid, payment for this order is due upon receipt. This computer software is licensed to you under the terms of the agreement enclosed with the software. It is not sold "on approval" or with any warranty other than that stated in the license agreement. By opening the sealed disk(s), installation codes and/or installing the software you agree to these terms. **Merchandise is subject to a 15% restocking fee for returned unopened software. All returns require a Return Merchandise Authorization Number which must be requested from Music Manager Software within 15 business days of postmark date. Call before returning any software. Returns without an RMA will be refused.** If this order is guaranteed with your credit card, your order will be shipped and your card will be billed by HymnIndex Corporation unless we have received direct verbal or written cancellation, payment or a purchase order by your school/organization by the ship date. If no ship date is specified on order form, order will be processed immediately. By signing you are acknowledging your authority to make purchases for your organization and that you are personally responsible for all charges in the event Music Manager Software does not receive payment within 30 days of invoice. If order includes full-text "customized" HymnIndex™ datafiles, you acknowledge your legal responsibility for all royalty payments to copyright owners for use of copyrighted material through CCLI any or other means.
